HALL COUNTY SCHOOL DISTRICT
VIRTUAL PROGRAM OF CHOICE

Elementary Courses
Character, Competency, Rigor...For All is the mission of Hall County Schools. With foundational philosophies of continuous improvement and leading by example, we commit to utilize all of our abilities to accomplish the task before us. Additionally, it will take our entire community, working together to fully develop our most precious resource, the students of Hall County Schools. We believe our role is to fully support local families on this most important journey. In these unprecedented and exciting times, I encourage our students and their families to fully explore all of the opportunities our HCSD programs provide. As always, feel free to contact us with questions or ideas for improvement.
